Weekly Newsletter of the Kanawha City Church of Christ

September 3, 2019

**SERVICE OPPORTUNITY**

Our church's family needs change over time. Energy levels and stamina change as well. Service opportunities are being missed due to some of the participants no longer being able to serve. It has become difficult to meet the needs of our family without replacements.

One area of need is a coordinator of family needs in regards to funerals. A checklist has been developed to assist the coordinator in collecting information in meeting those needs during a time of loss.

Another area of need is for a food service coordinator to work with the funeral coordinator to organize and coordinate volunteers to prepare meals for families during their time of loss. Preparing and serving a meal for the bereaved family will be better served by one person directing our combined efforts.

At some point we will all experience the loss of a loved one and it's during these times when our family can express their love and try to help ease the pain.

If you are willing to serve in either or both of these areas of need, please contact Chris Morris, Steve Samples or Tom Winnell.

**WANT TO SERVE?**

Chamberlain Elementary School (near the church building) would very much appreciate volunteers to help with the children's lunchtimes. There are openings on Monday and Wednesday. Volunteers can work the 11:00 am to noon session or the noon to 1:00 pm session or you can work both sessions. You can contact Chamberlain at 304.348.1969.

**DISASTER RELIEF EFFORT**

This Sunday, September 8, will be the **last time** that we will be accepting donations for the Church of Christ Disaster Relief Effort. If you would like to contribute, you can add a check made payable to the Church of Christ and marked "Disaster Relief" to the collection plate. This is especially needful in light of Hurricane Dorian.

**Wow**

 "Leaf me alone!"
- What did one autumn leaf say to another?  
 "I'm falling for you."
- How do you fix a broken pumpkin?  
 With a pumpkin patch
- Why are trees very forgiving?  
 Because in the fall they "let it go" and in the spring they "turn over a new leaf."
- How do leaves get from place to place?  
 With autumn-mobiles.
- What's the ratio of a pumpkin's circumference to its diameter?  
 Pumpkin pi.

**COURAGE OR FOOLISHNESS?**

It takes a lot of courage  
 To put things in God's hands  
 To give ourselves completely-  
 Our lives, our hopes, our plans,  
 To follow where he leads us  
 And make his will our own.  
 But all it takes is foolishness  
 To go the way alone!
