Weekly Newsletter of the Kanawha City Church of Christ

In my office I have a shelf full of sermon outline books. (I now have even more with the ones that Raymond Beadnell gave me this week.) I always find these books to have some interesting thoughts and approaches to various topics and passages.

There is one book that I particularly like, because the outlines are very practical and simple. It is a book entitled "How to... Sermon Outlines" by Russell E. Spray. Often times, the outlines in this book serve as better devotionals than full sermons. I thought I would share one that provides for a nice devotional thought for the week. Hope you enjoy!

Love you all,  
Stephen
