## LET'S GIVE HIM A HAND

Then God said, "Let us make man in our image, according to our likeness: and let them rule over the fish of the sea and over the birds of the sky and over the cattle and over every creeping thing that creeps on the earth. And God created man in his own image, in the image of God he created him; male and female He created them." (Genesis 1:26-27)  
"Then the Lord God formed man of dust from the ground, and breathed into his nostrils the breath of life, and man became a living being." (Genesis 2:7)

The marvelous formation of the human body is an astonishing work containing many parts. One being the hands, as they have many uses. The title of this article has been said by the tongue of many narrators and masters of ceremonies to indicate the need of giving applause to a performer or speaker. A single hand can receive attentive focus as well. The king of pop star, Michael Jackson, had a white glove on one of his hands. Attorney Cochran placed emphasis with fitting a glove on a hand of OJ Simpson during his trial stating, "If it doesn't fit, you must acquit."

The person of Jesus can receive great emphasis by the simple use of our hand. The thumb can remind us in the PROMISE OF JESUS recorded in Isaiah 7:14. The index finger POINTS TO JESUS recorded in Isaiah 53:1. The middle finger declares the COMING OF JESUS recorded in Luke 2:10-11. The ring finger reveals the finished WORK OF JESUS recorded in John 17:4. The little finger reveals the RETURN OF JESUS in Acts 1:9-11.

The only begotten Son of God was, still is, and ever shall be the GREATEST MAN who ever lived upon the face of this planet we call mother earth. Let's give Him a hand of acceptance daily in our lives!

Brotherly, Raymond Beadnell

- Julie Farley**
- Alan Newhouse**
- Betty Midkiff**
- Katie Cobb**, 13 year old being treated for a recurrence of Non-Hodgkin's lymphoma.

## GRANNY'S GLASSES

"Wouldn't you hate to wear glasses all the time?" asked Billy of his friend. "Noooo," his friend answered. "Not if I had the kind my grandma wears. She sees how to fix a lot of things, she sees a lot of nice things to do on a rainy day, she sees when folks are tired and sad and what will make them feel better, and she always sees what you meant to do even if you didn't get things just right. I asked her one day how she could see that way all the time and she said it was the way she learned to look at things as she grew older. So, it must be her glasses. I wish everyone could wear glasses like hers!"

Steven Clark Goad, Blythe, CA

(NO book club meeting in June.)

## SMILE CORNER

After church, Johnny tells his parents he has to go and talk to the minister right away. They agree, and the preacher greets the family.

"Preacher," Johnny says, "I heard you say today that our bodies came from the dust."

"That's right, Johnny, I did," he says.

"And I heard you say that when we die, our bodies go back to dust."

"Yes, I'm glad you were listening," the preacher replies. "Why do you ask?"

"Well you better come over to our house right away and look under my bed, 'cause there's someone either a comin' or a goin'!"
