Weekly Newsletter of the Kanawha City Church of Christ

WHAT DOES GOD WANT TO SHOW YOU?

Since I was a young child, there has always been a running joke in our family that my dad can turn anything into a sermon. It doesn't matter what it is, there is always a lesson. We will be watching TV or a movie and he'll say, "Wow there's a great lesson in here" and go on about what it would be. The majority of the time the rest of us will simply have a dumbfounded look and think, how in the world did you get that out of this? What's funny is, the more I write these articles and spend time teaching the teen class, I have realized that I am the same way.

However, the more I think through it, my mind begins to wonder. Is it really that I can turn anything into a lesson? Or is it that God opens my eyes in situations to see more things that he wants me to see? I went camping with Ali and my two siblings over the past weekend. As we sat around the campfire, there was a breathtaking amount of stars covering the sky. I sat there for a few minutes and simply admired the beauty of the night sky, the fire, and the mountaintop scenery. It was like nothing I'd ever experienced before. I couldn't help but to feel so tiny in this huge world we live in. Then, I looked at Ali and my siblings and realized that even though we are physically so small in the world, we are such an immense part of God's plan. Each one of us has a specific part that we play in His plan. We all have a role to play, no matter how big or small that role feels.

As you go through your week, let God open your eyes to what he wants to show you. What is God calling you to do this week? If you let Him, he will show you. There's always a lesson.

"We have different gifts, according to the grace given to each of us..."
Romans 12:6

REMEMBER IN PRAYER

- Those serving our country: **David Hartley, Allen Hartley, Brandon McKinney.**
- **Tom Winnell** - We have all been quite concerned about Tom Winnell, who had his spleen removed Friday at Cleveland Clinic. Though the initial post-surgery prognosis was good, Tom's recovery took a frightening, critical dip. Jan reports that Tom is resting better this morning. His medication has been changed, and he is not requiring as much oxygen. He is being treated for a blood clot in the leg. He had not had anything to eat or drink since before surgery, so the best news of all is that they are now letting him have popsicles! Jan says, 'Things are looking up!' So, let's all keep 'looking up' and praying that Tom's health will continue to improve!
Update from Bill and Darlena Reynolds
- **Lanny Markland** has violated his parole and is incarcerated at South Central Regional jail and will have to go before the parole board. He needs our prayers.
