Weekly Newsletter of the Kanawha City Church of Christ

YOUTH MINISTRY

Let me begin by saying, "Thank you!" to Alex and Ali for the work they have done with the church at Kanawha City. They will be greatly missed and we want to offer them our prayers and best wishes as they begin their work at Hurricane! I would also ask that you pray for the church at Kanawha City as we make decisions on how to best move forward and ensure that we continue to grow and have a vibrant youth ministry.

As has always been the case, we want to wrap our arms around the youth of the church and our community, and allow them to see that we love them and believe that their physical and spiritual well being is a top priority at this church. We are excited about the work that Carson Henley is doing to invigorate our youth education. We are grateful for all of the men and women that are volunteering their time to teach our youth! We hope that all of us will prayerfully consider how we might become more greatly involved in these efforts.

Moving forward, we want to make sure that there are plenty of opportunities for our youth to be together, so that they might form lasting friendships. We believe that close relationships with each other and the knowledge that they are loved by their church family will play a vital role in their spiritual formation. That being said, we want to begin to have regular parent meetings to make sure that these opportunities are planned and implemented. We had our first parent meeting this past Sunday night, and we were able to set dates for many upcoming youth activities. More information on each activity will be provided as they approach, but be sure to save the date now and begin praying for their success.

Remember, the youth are the church of **today**. EVERY member of the church is called upon to follow Christ's example of blessing the children (Mark 10:16). Thank you for loving God, for loving His church, and for loving EACH and EVERY member of His church!

Love you all! Stephen
