Weekly Newsletter of the Kanawha City Church of Christ

2M + 2N

I read this article in the bulletin from the 36th Street Church of Christ in Vienna, WV. I thought it was a simple yet powerful thought from one of their ministers. Hope you enjoy!

Love you all!
Stephen

"2M + 2N"

Did you know that Chick-Fil-A uses more chickens than KFC? That's right. The largest user of chickens by far is Chick-Fil-A. The amazing thing about the above is that they only have one third as many restaurants as does KFC! How can this be possible?

The answer is rather simple, "2M + 2N"! That formula stands for "Second Mile + Second Nature!" The owner's of Chick-Fil-A has this as one of their "key" mottos! It means simply if their employees will go the "second mile" often enough, it will become "second nature." Therein lies one of the keys to this chicken paradise's success!

I wonder if Christians in today's world would adopt this same principle would it mean greater success for God's Kingdom? If we all lived "second mile" lifestyles each day, would it ever become "second nature"? And, if it became "second nature", would we be welcoming more and more folk into the body of Christ? If we were to become family to the homeless or an assistant to the helpless, what difference would it make? If we became eyes for the blind...voices for the mute...or, legs for the lame...what would happen?

I predict it would mean VICTORY!

Bill B.

BUILDING UPDATE

Brothers and Sisters:
Phase 1 of the building fund is complete. All funds have been depleted by the parking lot project. Phase 2 is now underway to raise funds for a new gymnasium roof, new windows for the front of the building, and replacement metal doors for the rear of the building. The estimated cost for these projects is \$30,000. If you are able, please consider making a donation.

Also, I would like to express my thanks to everyone who has contributed to the clean up and beautification of our building over the last several months. Your hard work is greatly appreciated! The only thing left on the list that is yet to be completed is the painting of the metal facia on both sides and the front of the building.

If you would like to volunteer to help us finish this last item on our punch list, please let Joe Masker know. You can speak with him at church, you can call/text him at 304-415-3258, or email him at cjmasker@yahoo.com.

Again a huge thank you for your help in this endeavor!
