THANK YOU, JACOB!

Kids are back to school. Football season has begun. Days are getting shorter. All of this points to the inevitable... summer is officially over. It's hard to believe that the summer has already come to an end.

It has been a very enjoyable few months for the youth at Kanawha City. They have had meaningful and enjoyable classes and devotionals. They have done service projects. They have gone on various trips together. They have spent so much time together getting to know one another and encouraging each other. They have formed bonds of friendship. What a great summer it has been for these kids! And what a great group of kids we have!

The sad part about summer coming to an end is that Jacob's time serving as our youth intern has also come to an end. The youth have been extremely blessed to spend the summer with Jacob, getting to know him, and learning from him. We cannot thank Jacob enough for the work he has done with the whole congregation and especially with our kids! There are still some plans for Jacob to do some activities with our kids; and it is our prayer that opportunities will continue to arise for our kids to maintain their relationship with Jacob. We know that we have all been blessed by Jacob's time with our congregation.

Thank you, Jacob, for all that you have done with the church at Kanawha City, with our youth, and with the work you will continue to do in God's Kingdom!

Now... Jacob has lit a fire in our youth, let's make sure that flame doesn't become extinguished. We will continue to have activities planned for our youth. We will continue to provide quality learning experiences for our youth. We will continue to help them grow and mature spiritually. We will continue to encourage them to grow closer to God and to one another.

We are asking everyone to prayerfully consider how they might become more involved with our youth at Kanawha City. We need teachers. We need planners. We need organizers. We need hosts. We need prayers. If you feel that you can help to keep this ball rolling, please let someone in the leadership know what you can do to help. It will take a lot of hard work, but our youth and God's Kingdom are worth it!

"Let the children come to me; do not hinder them, for to such belongs the kingdom of God. Truly, I say to you, whoever does not receive the kingdom of God like a child shall not enter it." And he took them in his arms and blessed them, laying his hands on them." Mark 10:14-16

Love you all! Stephen
