Many stories about the origin of Valentine's Day have come down through the centuries. There's no definitive story, but most revolve around the imprisonment of Valentinus (St. Valentine) for his disregard of Roman laws.

Many legends are also associated with Valentine's Day. For example, because birds seemed to arrive and mate in some countries in mid-February, human couples came to be called "love birds."

In 1667, the first recorded Valentine card was printed. Today, people will give their sweethearts countless millions of cards and acres of heart-shaped boxes filled with candy. But why wait for Valentine's Day to share love with others? Remember Jesus' words in John 13:34 (NRSV): "I give you a new commandment, that you love one another."
