## MEN'S BIBLE CLASS

The Men's Bible Class meets at the church building on **Monday nights from 6:30-7:30 p.m.** The class is using Max Lucado's book *3:16: The Numbers of Hope*. As Max says about his book:

*Sometimes life appears to fall to pieces and can seem irreparable. We've all had our fair share of disappointments, loss, or hardships. But for every challenge there is a breathtaking promise: It's going to be okay. How can we know? Because God so loved the world. In 3:16, Max encourages us to study closely the "Hope Diamond of the Bible": John 3:16.*

**All men are welcome.** If you have any questions, please see Chris.

Earth Day offers a reminder to be wise stewards of God's creation. Former U.S. Senate chaplain Lloyd Ogilvie wrote about how the universe reveals the greatness of its Maker. "If we were to drive a car day and night at top speed without stopping," he writes, "it would take us nine years to reach the moon, 300 years to reach the sun, 8,300 years to reach the planet Neptune, 75 million years to reach Alpha Centauri, and 700 million years to reach the Pole Star.

"This is the reason the Psalmist, even with his limited cosmology, could say, 'When I consider the work of Thy fingers, the moon and the stars which Thou hast ordained; what is man, that Thou dost take thought of him? And the son of man, that Thou dost care for him? Yet Thou hast made him a little lower than God, and dost crown him with glory and majesty!' (Psalm 8:3-5)." Astonishing indeed!
