STUFFED ANIMAL DRIVE

THANK YOU for all the stuffed animals that have been brought to the building for donation to the counseling services department of Women's and Children's Hospital. Thanks to your generosity, we more than exceeded our goal of 300 stuffed animals by Labor Day.

A speaker began his seminar by holding up a \$20 bill. He asked the group of 200, "Who would like this \$20 bill?" Most hands went up. He said, "I'll give this \$20 to one of you, but first let me do this." He crumpled up the \$20 bill then asked, "Who still wants it?" Most hands were raised again.

"Well," he continued, "what if I do this?" He dropped it and ground it into the floor with his shoe. He picked up the crumpled and dirty bill. "Now who still wants it?" Again the hands went into the air.

"My friends, you have all learned a very valuable lesson. No matter what I did to the money, you still wanted it because it didn't decrease in value. It was still worth \$20.

"Many times in our lives, we are dropped, crumpled and ground into the dirt by the decisions we make and the circumstances that come our way. We feel as though we're worthless.

"But no matter what has happened or what will happen, you will never lose your value in God's eyes. To Him, dirty or clean, crumpled or finely creased, you are still priceless to Him. Psalm 17:8 states that God will keep us 'as the apple of [His] eye.'" - Newsletter Newsletter July 2003
