Veterans Day has its roots in what was called Armistice Day, when a peace agreement ended World War I on November 11, 1918. President Wilson proclaimed that Armistice Day was to be marked with solemn pride in heroism and with gratitude for victory as well as the "opportunity it has given America to show her sympathy with peace and justice." In 1954, the remembrance was renamed Veterans Day to honor all U.S. military personnel. It's a reminder to pray for and honor all who serve and sacrifice, to support and assist their families, and to pray that God will bring peace on earth. - Newsletter Newsletter
