Searching for a New Year's resolution? None is more worthy than becoming Christ-like. In fact, 19th-century evangelist Henry Drummond calls it "the only thing in the whole world worth caring for."

Two modern-day authors offer more insights. Stormie Omartian points out that we're either making progress or backsliding on this goal. "There is no neutral position in the Lord," she writes. "You are either becoming more like Christ every day or you're becoming less like him." And followers of Jesus must keep the goal always in focus. Christ-likeness is our "eventual destination," writes Rick Warren, but the "journey will last a lifetime."
