FROM PINE GROVE CHURCH OF CHRIST

To Our Dear Brethren,

Words seem inadequate to express our sincere appreciation by our members, as well as the Redding missionaries in Malawi, for the many items your church family provided. Twelve congregations participated in this effort and together we assembled over 100 boxes of much needed supplies and \$4,000 for support of the work.

All donated items have been addressed, securely wrapped, and safely delivered to the Malawi Project, Inc. in Indiana. From that location, they will be shipped by sea container to Africa.

The information we received from the Malawi Project estimates there are 4,000 churches of Christ in Malawi, and growing, that continually provide resources to meet the needs of the suffering. The scope of these programs and their influence caused a member of the Malawi Parliament to observe, "Through the work of the churches of Christ here, we have witnessed them as one of the largest churches in our country. These people show how much they care about our people."

The generous gift you provided will help our missionaries to continue to share the gospel and grow Christ's [sic] church. Lives are being changed and souls saved as a result of your kindness.

If you would like to follow the work of the missionaries in Malawi, go to Facebook at Redding Mission Trips and you can see their regular postings.

Sincerely

Pine Grove Church of Christ
