A confirmation teacher asked students to list the Ten Commandments in any order.

One girl wrote "3, 6, 1, 8, 4, 5, 9, 2, 10, 7."

Pastor John Edgerton tells of swaddling his 2-week-old baby to help her feel secure. She loved being wrapped tightly in a soft blanket and would lie quietly — until she managed to work a tiny arm loose. Then she'd scream until someone rewrapped her.

Edgerton likens that behavior to his own connection with God's law, given so people can live in peace. "I know that I'm supposed to do the right thing, but I'm always wiggling out of it," he writes. "And very quickly my life falls into a state of disarray."

We've all experienced this. We know we are to love our neighbors as ourselves, yet we often ignore their needs. Jesus says to love our enemies, but we wiggle around it: "That's too naive for this day and age." But then relationships crumble, life feels crazy and we recognize that, in large part, we've done it to ourselves. Over and over, we wiggle out of the soft swaddle of God's law of love, only to flail. Thankfully, like a loving parent, God wraps us up anew, holds us close and saves us from ourselves — again. - Newsletter Newsletter
