Like the Magi, we can respond with our best gifts — our industry, our devotion, our very lives. We disciples are Christ's tangible presence in the world. That same Child whose light brought such joy to the Magi now, through us, offers his mercy to every person.

Through us, every day, Christ feeds multitudes; he heals, teaches and guides countless people. Through individual volunteers and major institutions, through simple acts of kindness or worldwide coordinated efforts, the world can encounter, through the Christian community, the enduring, tangible presence of Christ.

—Michael Simone
