God in church or nature? Yes.

Church isn't designed to be an alternative to the real world. Worship is a time and space apart from the world in order for us to find our way out into the world. Worship isn't a man-made place distinct from the beauty of the natural world; at its best, church is a place where we realize God's glory in the world we find ourselves in. ... Do I find God in a church? or out in nature? Yes. ... In church I hope to sharpen my senses so I can discover the house of God everywhere. — James C. Howell, Everywhere Is Jerusalem

"SOUPER" SUNDAY

Thank you to all who brought food and participated in our "Souper" Sunday fellowship dinner. There were soups galore, giving everyone an opportunity to have a helping (or two) of their favorite varieties. Plus, we got to sample new flavors. A great opportunity to warm up in advance of the cold, snowy days that are following.
