WORLD BIBLE SCHOOL

On Sunday, **Rich Bartoli** stressed the need for us to use what God has given us and to get moving and start spreading the good news of Jesus to those around us. One of the ways you can do that is through World Bible School.

With World Bible School you can sit comfortably at your computer/laptop, with coffee or tea and snacks at hand, and study WBS lessons with a student in any, and almost every, part of the world (yes, that includes the U.S. also). Check out: worldbibleschool.org for more information and/or see **Grace Wagner**.

This year we will again be participating in the **Caring & Sharing Project for Malawi, Africa**, sponsored by the Pine Grove Church of Christ and in conjunction with other local area churches. We took part in 2023 and received much-welcomed donations of items & cash which were transported to the very poor country of Malawi and **greatly appreciated**. There is a listing of needed items on the next page and also on the table in the back of the auditorium. **All donations need to be at the building by June 8, 2025**, to start their very long journey to Africa where they will arrive in Malawi around the middle of December.
