MALAWI, AFRICA

This is our last week to bring in donations for the churches of Christ in Malawi, Africa. All items need to be at the church **June 8, this coming Sunday**.

Thank you to all who have already brought in items.

God made us: invented us as a [person] invents an engine. A car is made to run on petrol, and it would not run properly on anything else.

Now God designed the human machine to run on himself. He himself is the fuel our spirits were designed to burn, or the food our spirits were designed to feed on. There is no other. That is why it is just no good asking God to make us happy in our own way without bothering about religion. God cannot give us a happiness and peace apart from himself, because it is not there. — C.S. Lewis, *Mere Christianity*
